These rules are made to permit the maximum amount of enjoyment for the greatest number of visitors - for the benefit of your fellow visitors as well as yourself.

- Visitors are expected to behave in a reasonable manner. In surrounding lanes and countryside, regular pathways should be used. Boundaries must be observed. Where the privacy of neighbours is violated, the right is reserved by the Centre Manager to ask the offending visitors to leave.
- The use of any of the Centre's equipment and the handling of animals is totally prohibited unless a member of Staff from Woodlands Adventure is present.
- At least one member of visiting staff must accompany each group on activities.
- The Centre Manager/Duty Instructor will report misbehaviour to the leader in charge, who must be present on-site at all times. However, the right is reserved by him to correct visitors and, if necessary to require the leader to remove the offending visitor(s) from the Centre. All damages must be paid for.
- Fires may only be lit in areas specified by the Duty Manager/Duty Instructor.
- The disfigurement of trees and shrubs will not be tolerated.
- Breakages or damage to Woodlands Adventure property must be notified to the Centre Manager/Duty Instructor immediately, who will arrange for the leader to be charged.

Except for its own negligence, BBGU will not be responsible for any personal injuries suffered by visitors or damage to health or damage/loss to their property or goods, however arising.
- All Vehicles and belongings are left at your own risk.
- Smoking and the consumption of alcohol are not permitted on site, anyone found using illegal substances will be reported to the relevant authorities.

- **Groups who arrive before 1 p.m. may not be allowed into the building before that time. Departing groups on a Wednesday and Friday must be clear of the Dormitories by 9 am, Main building by 10 am and site by 11 am. Whilst the BBGU make every effort to maintain the highest level of safety on all the centres activities participant must recognise that due to the nature of adventurous activities, the risk of injury cannot be completely ruled out.
