

Group Leader Consent for Activities

The Birmingham Boys and Girls Union t/a Woodlands Adventure and Outdoor Learning is collecting this personal data to enable the participants in your group to benefit from the outdoor learning at Woodlands Adventure and Outdoor Learning and in case of emergency to protect vital interest of all participants and visitors. Woodlands Adventure and Outdoor Learning will not share any of the personal data collected with any other external organisation unless required or permitted to do so by law.

For further details please view our Privacy Policy on the Woodlands Adventure website www.woodlandsadventure.co.uk

Group Name: _____

In order to provide the best possible experience for all of our customers we require that all participants (and parents/guardians where the participants are under the age of 18 years) have been made fully aware, and acknowledge of the activities and the risks involved in them, and that any special needs and medical issues have been disclosed to the Centre prior to your booking commencing. It is your responsibility as Group Leader to ensure that this has been provided to Woodlands Adventure and Outdoor Learning.

Participation Statement;

Woodlands Adventure and Outdoor Learning places safety as a top priority. Adventurous activities involve some risks for the people taking part, the Woodlands Adventure team aim to keep these risks as low as possible. The chances of serious injury are extremely low, but the chance of minor injuries (bruises, bumps and – less likely – minor fractures) are a possible result of taking part in adventurous activities. Woodlands Adventure and Outdoor Learning will minimise the actual dangers by:-

- Carrying out a careful assessment of all risks before commencing the activity
- Only using experienced Instructors with the appropriate qualifications for the activity
- Giving clear safety instructions to everyone participating
- Ensuring equipment and clothing is well-maintained and suitable for the activity and environment
- Ensuring activities are within the capabilities of the participants
- Asking participants to supply any medical conditions or information
- Ensuring good hygiene standards are kept to ensure the safety of all, we expect participants to co-operate by following instructions and answering questions honestly about any medical conditions or other information relating to health and safety.

We can provide an individual consent form template if you wish to use it. Please contact the office for a copy of this.

As the Group Leader you are responsible for advising us of any medical conditions, learning and behavioural needs that may affect activities, at least one week before the activity sessions commence. We will share this information with the instructor(s), and we will do our best to adapt the session(s) to meet the needs of the young person. Failure to provide this information will mean that we may be unable to accommodate all individual needs and participation in the activities. Please use the attached form below (please continue on a separate sheet if you require additional space).

By signing this form:

- I confirm that all participants (and parents/guardians where the participants are under the age of 18 years) are fully aware of the risks involved in the activities and have provided consent for the activities being undertaken.
- I confirm that I will provide information about medical conditions, learning and behavioural needs that may affect activities. Please use the form overleaf.
